

Welcome to your internship at Linespotting!

Here's a checklist for newly onboarded students. In order to start your internship – make sure you've checked the following.

- Send in signed NDA & contact information to project managers and David.
- Participate in an onboarding meeting
- Add David, Natali and Ida on Dischord
- Make sure you're on the Discord server, or ask for invite from David, Natali or Ida
- Name yourself on the server accordingly: [Project - Full name]: For example "PSM – Charlie Berg"
- Ask for access in the following channel:
 - github access . (repos)
 - discord access. (communication)
 - dropbox access. (documentation)

Write the name of you assigned project name, and email resp github name.

- Introduce yourself in the project main chat and ask team when next meeting takes place.
